February 2024

Dear Valued Patients and Friends,

This letter is to inform you of some exciting changes taking place at Habern Orthodontics! It is my pleasure to announce that Dr. Khushbu Patel will be joining our practice as the new lead orthodontist moving forward. After 40 wonderful years in dentistry, the time is right to bring in Dr. Patel and allow her to continue the quality care you're accustomed to. You will be happy to know that I will continue to work at the practice with Dr. Patel for the foreseeable future, albeit on a more part-time patient schedule.

I have spent time getting to know Dr. Patel over the past few months and have found her to be a kind, caring person with strong moral standards, who will serve your orthodontic needs with the same excellence and care that I have hoped to deliver every day to every patient.

Dr. Patel graduated from The University of Texas at Austin with Honors and the University of Texas School of Dentistry at Houston with multiple recognitions. She then completed a General Practice residency followed by a residency in Orthodontics and Dentofacial Orthopedics at NYU Langone Medical Center. Dr. Patel's philosophy is to provide her patients with their best smile, which is not only aesthetically driven, but also functionally long lasting. Her goal with each patient is to constantly learn how to best serve them. Dr. Patel calls DFW her home and enjoys spending her spare time with friends & family, traveling, and learning various meditation modalities.

I'm thrilled that our wonderful team at Habern Orthodontics will remain as familiar faces to the practice. We, along with Dr. Patel, are excited to continue providing you and your family with excellent orthodontic care for years to come as Dr. Patel assumes ownership and operations of Habern Orthodontics.

Dr. Patel and I look forward to seeing you at your next visit as we provide outstanding service to you, our valued and loyal patients.

Please welcome Dr. Khushbu Patel!

Sincerely,
